

lisa perry

**New York's hottest new designer
is mod about you!**

Lisa Perry returns to the iconic simplicity of 1960's fashion designers Rudi Gernreich, Pierre Cardin, and André Courregés. Her look is smart, carefree whimsy from head to toe. It's color, pure and bright. It's eye-catching elegance, timeless and glamorous... Sophistication has never been more fun! on boulevard four

You are invited to meet designer Lisa Perry as she introduces her Spring 2008 Collection. Enjoy live music and informal modeling. Thursday, February 7th from 6-8pm. On the fourth floor.
